

2ND ANNUAL NATURE HIKE

April 24, 2010

9:45AM to 1:00 PM

In Celebration of Earth Day *Spiritual Unity Movement is taking you out into nature*

So dust off those hiking boots grab your tennies and join us as we honor the forces of nature. On this hike we will commune with Mother Earth and learn how to communicate with nature spirits. The Divine Energy with-in rocks, plants, trees, water, wind, etc.... wants to be of service and help us heal our lives. Take this opportunity to meet with others of like-mind and heart as we breathe in the harmonizing and balancing beauty of spring. Lead by Reverend Basia.

WE WILL MEET AT

the Picnic Tables south of the parking lot

Please Arrive by 9:45

NATURE ALIGNMENT CEREMONY STARTS AT 10:00 AM

The hike will be a moderate-to-easy walk.

Feel Free to Bring a Picnic Lunch so we can nourish the body and socialize after the hike
Remember to bring water, sunscreen, a hat, walking stick if you need one for balance
